# JLS Automation Exhibits at Northwest Food Manufacturing and Packaging Expo 2010

[JLS Automation](#) of York, PA announces their participation in Northwest Food Manufacturing and Packaging Expo 2010 held in the Portland, OR on January 18-20<sup>th</sup>, 2010. JLS Automation will be exhibiting in Booth #651.

More details about the Expo - <http://www.nwfpa.org/content/2010-nwfpa-expo-information-center>

During the Expo, the JLS [Talon Series Packaging System](#) will demonstrate the company's ability to automate many manual product handling functions and integrate their "pick and place" technologies with existing packaging lines, or as a complete "turn-key" packaging system. An integral part of the **Talon** system, the **Impulse** Multipick end of arm tool (EOAT) has been developed to achieve higher picking effectiveness, greater throughput speeds, and improved food contact suitability.
